Minutes for meeting of November 8, 2010.

Discussion was made with regards to the removal of two sugar maples in decline at the entrance of the Village Cemetery opposite #29 Marsh St. The Tree Warden reported that the 2 maple trees are in decline and should be removed and replanted with a suitable species. Commission members agreed.

Kathy Bagley presented plans to expand the parking lot at Millwoods Park. Due to the new little league field, the lack of parking space has become a serious issue. Plans were reviewed by the commission and 11 trees are to be removed and 11 new trees would be planted.

The commission asked if 1 32" caliber oak could be saved. Kathy Bagley said she would meet with the engineering department to see if it was possible.

Meeting adjourned at 8:00 PM
